

*Helping You Create an Image
That Is Uniquely You!*

Orene Kearn, JD, AICI, FLC

Dear Orene,

It's that time of year again when fashion becomes bedazzled. Let the festivities begin! Stand out and look fabulous being the most stunning version of you. I've included a Holiday Party Checklist to help take the stress out of the season.

When my husband asks me what I would like to receive as a gift, I always answer "services" --often services you don't always think of for yourself. Wouldn't it be wonderful to give to your loved ones and friends the gift of confidence in their image and style? As a professional, certified image consultant, I can help you give that special gift with a gift certificate to any of my packages. (You can always hint that you would like the same.)

Check out the funny pictures at the bottom of this newsletter.

As always, I am here to help you navigate the world of fashion so the best choices end up in your wardrobe. So [contact me](#) and we'll get started.

Enjoy!
Orene

Holiday Party Checklist

Take the stress out of your holiday events by using this handy checklist.

One week prior to the party

The party outfit is ready to wear!

Try on your party outfit. Does it fit? Is it clean? Do you have the entire outfit or is something missing? Be sure to check that the head-to-toe pieces are all there. If they aren't there, schedule a shopping trip now to finish your look. Does a key piece need alterations? Schedule it. Drop off anything that needs dry cleaning and schedule the pickup.

I have a coat or jacket if it is chilly!

For ladies, be sure you have a wrap that looks good with the outfit in case the temperature is chilled just like the martini glasses.

My beauty appointments are scheduled!

Make sure to schedule beauty appointments early in the week. Manicure? Check! Pedicure? Check! Blowout by your hair stylist? Check!

I have a gift for the host!

Don't forget to show your gratitude with a host or hostess gift. Getting one before the day of is one less thing to think about. If it's wine or a plant, make it festive by adding a bow. If it's a candle or cookbook, wrap it in nice wrapping paper. Fresh cut flowers will be purchased on the day of but bring those flowers in a vase so the hostess doesn't have to make time during the party to arrange them.

I've planned recovery time!

If it is a "big" event, schedule down time for the day after. If you can't take the day off at least plan to go into the office late. If it's on the weekend, give yourself the gift of putting your feet up and relaxing.

Day of the party or event

I've scheduled prep time!

For ladies, leave enough time to comfortably and completely finish your hair and makeup.

Snack time is planned!

Eat a little something before hand in case there isn't much food available right away. Drinking on an empty stomach is not a good idea.

My backup supplies are packed!

Be sure you've got your lipstick or lip-gloss packed in your handbag. Pack a blister remedy in case your shoes are rubbing you the wrong way. In case your long hair needs to be refreshed partway through the evening, stash a hair tie or hair pins for a quick pulled back look. If you have a car, toss in a pair of flats in case your feet get tired in heels.

Optional party planning solution

The property brothers look very silly. Unless you're going to an ugly sweater party or pajama party, don't follow their example!!

I found this to be very funny and true!
