Special Newsletter ***My New eHow.com Videos*** ***2012***

Dear Orene,

I have some exciting news. I just completed a series of videos for eHow.com, one of the leaders in instructional and informational videos on the Internet. I was selected as an expert in style and fashion to do a series of videos for them. I have included all of the topics and links to each video below. I would love feedback from you about these videos.

The next edition of *Uniquely You* will be the Fabulous Fall Fashion Trends issue! Look for it mid-September. It will be packed with ideas and tips.

I will be in Africa for the first two weeks of September (I'll use my own travel tips from my last newsletter).

Enjoy!
Orene
